Instructions

This assessment is for use with the December 2026 – January 2027 moderation series only. You must ensure the correct assessment is issued to learners.

This assessment may be given to learners as soon as it is received. Please refer to the Administrative Support Guide for further information and mark submission deadlines.

Instructions to Learners

You should read the information given in the vocational context and each task section of this assignment carefully prior to starting work. Tasks often link to one another, so it is important to make sure you understand all tasks before starting the assignment.

The assignment will take approximately 4 supervised hours to complete.

This is divided into approximately:

- 1 hour to complete Task 1
- 1 hour to complete Task 2
- 1 hour to complete Task 3
- 1 hour to complete Task 4.

These timings are for guidance only but should be used as an indication of how long to spend on each task. Your teacher will advise you when it is time to move from one task to the next.

You must work independently and should not share your work with other learners. All work must be your own and you must sign a declaration of authenticity to confirm this. If group work or collaboration is permitted, you must produce your own independent responses and evidence for the tasks.

Any sources of information, ideas, text, audio and/or visual assets created by others that you include in your work **must** be clearly identified and referenced. Using the work of others as your own or without proper acknowledgement is considered plagiarism and can result in disqualification from the assessment.

You may ask your teacher for support if you have questions about the requirements of tasks, what evidence you need to produce and any resources you are allowed to access. When producing video evidence you must be easily identifiable within the footage. Your teacher cannot give you feedback about how to improve your work or guide you to solutions to any questions or problems in the tasks.

Vocational context

While on a work placement at a local community sports club, you have been asked to support the Manager in finding new members for the club.

The Manager has asked you to organise a variety of sports taster sessions that can be run during open days to try and find new members for the club.

The Manager feels that these taster sessions will allow prospective new members to understand the type of sports sessions that the club runs, as well as the techniques, strategies and components of fitness that are required for effective participation in sport.

Tasks

Task 1 – Components of fitness

The Manager has asked you to help the prospective new members understand the different components of fitness required for participation in a **team sport** of your choice.

Produce a written response that will enable the prospective new members to understand what each of the different components of fitness are, their use in the chosen **team sport** and the impact they have on performance in that **team sport**.

Your written response should include an account of:

- how each of these components of fitness will be used during participation in the chosen **team sport**
- the impact of each of these components of fitness on performance in the chosen **team sport**.

Learning outcome covered

Outcome A: Understand how different components of fitness are used in different physical activities.

Checklist of evidence required

A written response of approximately 2–3 pages of A4, which can include supporting images.

Supervised hours to complete the task

You will need approximately 1 hour to complete Task 1.

(Total for Task 1 = 12 marks)

Task 2 – Participating in sport

The Manager has asked that you demonstrate to the prospective new members the enjoyment that can be had from playing competitive sport. In doing this, the local community sports club hopes to increase the number of members playing sport at the club. It hopes to increase understanding of the skills and strategies required for your **chosen sport**.

The Manager would like you to produce a series of video clips that will demonstrate sports skills for your chosen sport being demonstrated in isolated practices and sports skills and strategies being demonstrated in competitive situations.

Your video clips should include practical demonstrations of:

- **at least three** sports skills being performed in isolated practices
- sports skills and strategies being performed in a competitive situation.

Learning outcome covered

Outcome B: Be able to participate in sport and understand the roles and responsibilities of officials.

Checklist of evidence required

Video recordings, lasting approximately 15 minutes, of sports skills in isolated practices and sports skills and strategies in competitive situations for a chosen sport.

Resources needed

Video camera with sound recording.

Supervised hours to complete the task

You will need approximately 1 hour to complete Task 2.

(Total for Task 2 = 12 marks)

Task 3 – Officiating in sport

The Manager would like the prospective new members to have a better understanding of the roles of the officials and the rules for your **chosen sport**.

You have been asked to produce a presentation to assist the prospective new members in understanding the different roles and responsibilities of the officials for your chosen sport.

The prospective new members should also understand the rules associated with **the length of time of play** and **the scoring systems** for your chosen sport.

Your presentation should include an account of:

- the different roles and responsibilities of officials in your chosen sport
- rules and regulations around:
 - **the length of time of play**
 - **scoring systems**

when taking part in your chosen sport

- actions the officials would be expected to take to ensure the rules associated with:
 - **the length of time of play**
 - **scoring systems**

are adhered to when taking part in your chosen sport.

Learning outcome covered

Outcome B: Be able to participate in sport and understand the roles and responsibilities of officials.

Checklist of evidence required

A presentation of approximately 10–15 slides that can include any combination of:

- text
- images
- embedded audio/video content lasting no more than 3 minutes
- slides notes.

Physical presentation is not required. Where the option of physical presentation is taken, this should last no longer than approximately 5–10 minutes. This is under the assessment controls stated within the subject assessment strategy.

Resources needed

Resource requirements will depend on evidence to be submitted. You can access the internet if necessary to search and access audio-visual content.

Supervised hours to complete the task

You will need approximately 1 hour to complete Task 3.

(Total for Task 3 = 12 marks)

Task 4 – Improving participants’ sports skills

The Manager would like to arrange for some of the prospective new members to take part in a taster session for your chosen sport.

To prepare for this session, you are going to provide practical support to help the prospective new members learn how to improve **one sports skill of your choice for your chosen sport**.

You will need to produce a session plan of the drills and conditioned practices that you will use to develop **one** sports skill of your choice.

You will also need to provide video evidence that you are able to deliver demonstrations of the techniques to the prospective new members and support them as they take part in your planned drills and conditioned practices.

Your written response should include:

- a plan of the drills and conditioned practices to develop participants’ techniques for your chosen sports skill
- an account to justify the choice of activities in each drill and conditioned practice related to the requirements of the sports skill in competitive situations.

Your video footage should include:

- practical evidence of you demonstrating the techniques required to perform the chosen sports skill using key teaching points to support good practice
- practical demonstrations of your choice of drills for the participants to take part in to improve your chosen sports skill
- practical evidence of you supporting participants to take part in your choice of drills to improve your chosen sports skill.

Learning outcome covered

Outcome C: Demonstrate ways to improve participants’ sporting techniques.

Checklist of evidence required

A written response of 3–5 pages of A4.

Video recordings lasting approximately 10 minutes of you demonstrating sports drills and conditioned practices and supporting participants as they take part in these activities.

Resources needed

Video camera with sound recording.

Supervised hours to complete the task

You will need approximately 1 hour to complete Task 4.

(Total for Task 4 = 24 marks)

TOTAL FOR SET ASSIGNMENT = 60 MARKS
